ABOUT US:

From historical times, natural stones have been a symbol that reflects human's aesthetic tastes for beauty and quality. The magic touch of the beautiful natural stones have inspired many to achieve great architectural accomplishments.

Recognizing this priceless worth of stones **JBB STONES** proudly presents a new, latest range of high export quality Indian Granites, Marbles, Slates, Semi-precious stone slabs & tiles, Sandstones, Quartzite, Limestones, Onyx and directs supply of high quality slabs, tiles, cut and mould stones in different shapes, sizes and varieties.

JBB STONES, established in 2003 and headed by **Dr. Surendra Singh**, in an Indian Manufacturer & Export Company, having sister concern company **JBB ENTERPRISES INDIA**.

The state-of-the-art technology used in our production units gives the magic touch of extra richness and elegance. All this is complemented by a professionally managed approach of timely deliveries, competitive prices with quality matching world standards and rock-like reliability of the company's resources. We achieve this through our experienced and trained manpower, internationally recognized machinery and sales network around the world established for superior customer service.

The company has maintained a continuous growth, expansion and diversification all along to surge ahead into the future with greater confidence.

Please have a look through our product categories to choose products that meet the specific needs of your requirements. we also specialize in customized orders, kindly reach out to us for your specific requirements and we shall offer a customized solution for you to envision it.

Visit us and experience the elegant beauty of Stones - one to Mother Nature's greatest gifts to mankind. At **JBB STONES**, it has become a tradition to offer only the highest quality natural stones at reasonable prices with the best possible service to our customers.
